STIPULATION RELATED TO THE TAKING OF TESTIMONIAL DEPOSITIONS

IT IS HEREBY STIPULATED AND AGREED, by and among the undersigned attorneys for the parties, pursuant to TBMP § 703.01(c) and 37 CFR § 2.121(c), that Opposers' one (1) day testimony period be extended by sixty (60) days from May 13, 2010 (*i.e.*, July 12, 2010). Opposers' one (1) day testimonial period need not fall on July 12, 2010, if either party is unable to schedule deposition(s) for that day. Rather, the one (1) day testimonial period may take place on any single day that is mutually agreeable to all parties, provided that it occurs within thirty (30) days prior to, or on, July 12, 2010.

The parties submit that good cause exists for the present extension request. The parties seek additional time to continue to explore possible settlement of this proceeding. The parties have exchanged information upon which a mutually acceptable agreement might be based. Formal settlement proposals involving numerous terms have been exchanged between the

parties. Most recently, Applicant proffered a settlement counterproposal to Opposers on May 13, 2010. For this reason, the resources of the Board, and of the parties, would be conserved by the present extension request.
